Lone Star Regulators! Regional Day of the Cowboy

July 22-24

Imagine yourself atop your favorite mount - Your chest is pounding; your adrenaline is flowing. Strapped to your waist is a pair of "single action 45 caliber six shooters", loaded with black powder blanks. You're blazing your way through the obstacle course of barrels and balloons as fast as your horse can take you, to burst every one and beat the clock to win your class. That's Cowboy Mounted Shooting.

Sat. \$125.00 for Main Match. Match begins at 8:00am. 3 stages on Sat. and 2 on Sun. 50% payback.

Mike Males www.lonestarregulators.com

In 2011, *The Promise* celebrates 23 years of performances at the Texas Amphitheatre-the largest permanent outdoor theatre in the state. This magnificent 3,200-seat venue was designed to create a perfect atmosphere for *The Promise*. The Texas Amphitheatre has many features exclusive to outdoor theatres throughout the nation with its moat of water, rain curtain, and numerous other technological advantages. You will truly have an extraordinary experience in Glen Rose, Texas.

The story of the *Life of Christ* is timeless. The performance season, however, is not. This season, *The Promise* will be performed at The Texas Amphitheatre in Glen Rose, TX with Friday and Saturday evening performances from September 2nd through October 29th, 2011. Reserve your tickets today!

FOSSIL RIM WILDLIFE CENTER **MAKE MEMORIES... SAVE ANIMALS!**
WWW.FOSSILRIM.ORG ♦ 254-897-2960
SCENIC WILDLIFE DRIVE ♦ OPEN DAILY ♦ GLEN ROSE, TX

Make Memories & Save Animals ... large numbers of animals living in their near natural environment. 1700 acres of open spaces, interact with deer, zebras, giraffes and other wildlife including 16 endangered species. No matter what the weather, your 9-mile drive will allow you to relax, enjoy panoramic vistas, and have nose-to-nose encounters with up to 1,000 animals from your own car window or guided tour van. Fossil Rim gives you nature at its best: beautiful vistas and wildlife living in the open. We are internationally renowned for breeding endangered species, scientific research and professional training along with public education.
