# Don't Miss These Events in January:

## Schedule of Events

### January 1-3

WOW! What an exciting time we are having at World Team Roping! Shortly after announcing the dates for our inaugural event in Waco, Texas, management

announced their purchase of the assets of Booger Barter Productions and officially welcomed BOOGER BARTER back!

Ever get discouraged at a roping when only the top twenty teams are called back for the Short Go? Well, you'll be happy to know that World Team Roping brings back the top 100 teams. Here are a few interesting facts about our latest Short Go:

10 of the teams that placed in the Short Go were filled by teams that were 40-100 call backs

55th call back won 4th in the average 67th ended up 14th in the average; and 65th call back placed 16th in the average

You'll also be glad to know that World Team Roping pays MORE to MORE holes! From 1st to 20th places! AND, trucks – lots of trucks!

So you see, your decision on which roping to head to next should be quite easy! With MORE action in the Short Go, MORE cash to MORE places, and MORE prizes – all from a name you know and trust – you need to spend your weekend with Booger Barter and World Team Roping!

The Nolan River Kennel Club will be hosting its Annual Dog Show on January 8th, 9th and 10th. Dog lovers of all ages will love to see these pals run, trot and obey.

Come visit us in the Main Arena and take a look at all the different breeds of wonderful dogs.

Free to the public.

Showing generally starts around 1:00 pm on Friday and around 8:00 am on Saturday and Sunday.
